February 2016

Mission and Installation Contracting Command

Vol. 6, Issue 1

## FEATURED

### Command setting pace in contract closeout priority

The use of metrics coupled with holding contracting leaders more accountable for contract closeout is allowing the MICC to lead the Army effort.

► [MORE](#)

### New MICC Academy underpins transformation

MICC contracting officials are creating a new one-stop virtual portal to assist employees with career leadership development and training.

► [MORE](#)

### LEADER'S PERSPECTIVE

by Command Sgt. Maj. Tomeka O'Neal  
MICC command sergeant major

Since the start of this calendar year, non-commissioned officers across the Army have fallen under a new rating system that's unlike anything they've seen for a generation.

## HEADLINES

### MICC teams with JA, SA Works to mentor students

School was in session Feb. 2, but instead of a traditional lesson plan inside a school classroom, students were mentored on historic Fort Sam Houston by members of the MICC as part of the city-wide San Antonio Job Shadow Day.

► [MORE](#)

### Cobra Strike readies battalion for deployment

Soldiers from the 922nd Contracting Battalion conducted the mission readiness exercise Operation Cobra Strike at Fort Campbell, Kentucky, in preparation to deploy with the 101st Airborne Division (Air Assault) Headquarters in support of Operation Inherent Resolve.

► [MORE](#)

### Soldier takes 'Goofy' approach to endurance running

The daily grind of marathon running is often dictated by a strict regimen. While still an essential part in the race preparation for a MICC chief warrant officer at JBSA-San Antonio, Texas, the significance takes on a less competitive character on race day when he steps up to the start line after donning his Disney Goofy costume.
