Web-Based Training Information

To access a comprehensive, web-based training (WBT) site for Access Online, select the appropriate password and then click the link to launch the WBT in a new window.

Access Online Web-based Training

Log in with the password or register if you need to take the final certification exam.

After you log in, you can take topic-based lessons, read and download detailed user guides and quick references, practice completing key tasks with interactive simulations, or review recorded, instructor-led classes. If you are a Program Administrator, you can also register for live, instructor-led classes.

Check the Announcements area on the WBT for the latest training updates.

Passwords change approximately every 60 days.
