

# The MICC Communicator

August 2016

Mission and Installation Contracting Command

Vol. 6, Issue 3

## FEATURED

### Rucker aviation support contract transfers to MICC

The MICC is poised to execute the largest acquisition in its history for rotary wing maintenance services at Fort Rucker, Alabama.

► MORE

### Purchasing agents fill critical contracting gap

Newly hired purchasing agents in the MICC are assisting with the demand for contracting skills needed to meet the Army's acquisition needs.

► MORE

### LEADER'S PERSPECTIVE

by Command Sgt. Maj. Tomeka O'Neal  
MICC command sergeant major

As a command, we've made great strides in meeting the Army standard of readiness. This challenge will not go away, and there are many factors that play a role.

► MORE

## HEADLINES

### GPC program efforts earn DOD recognition

A Government Purchase Card program officer at the MICC was recognized in August by the office of the undersecretary of defense for acquisition, technology and logistics for improving program performance while greatly reducing delinquencies command-wide.

► MORE

### New leaders take command around MICC

New leaders are in place at three battalions attached to the Mission and Installation Contracting Command as the summer reassignment rotation cycle draws to a close. New commanders have assumed command at the 901st Contracting Battalion, 904th CBN and 919th CBN.

► MORE

### Veterans care for own with transition services

Soldiers fulfilling their military obligation or planning to retire are now being assisted by a service-disabled, veteran-owned small business for preparing to transition from military service to civilian life with the award of a contract by the MICC for the Soldier for Life-Transition Assistance Program.
