

Mission & Installation Contracting Command

**INDUSTRY
COUNCIL**
29 April 2009

Purpose

To discuss IDIQ Task Order Competition requirements and way-ahead.

IDIQ Task Order Competition Trends & Issues

- Inconsistent processes within MICC
- Limited forecasting/notification tools
- Complicated evaluation process
 - ✓ Too many evaluation factors
 - ✓ Short proposal submission timeframes
 - ✓ Evaluation criteria are not discriminators
 - ✓ Requiring redundant information

IDIQ Task Order Competition Way-Ahead

- Way-ahead
 - ✓ Create MICC Task Order Competition Guidebook
 - ✓ Standardize task order competition
 - ✓ Standardize evaluation criteria
 - ✓ Provide standardized cycle time
 - ✓ Locate basic contract deliverables on website
 - ✓ Limit proposal information
