

WE'RE LOOKING FOR TALENT!

ARMY'S ACQUISITION WORKPLACE OF CHOICE

The 1,500-strong MICC workforce consists of civilian and uniformed contracting and support professionals dedicated to supporting our nation's Soldiers and their families.

ALWAYS HIRING!

Championing a diverse workforce, individuals qualified in contracting and other professions are needed at locations across the nation.

SUPPORTING THE SOLDIER FOR LIFE

From Army advertising and marketing through the onboarding process, service commitment and transition from uniform, MICC contracts underpin a full spectrum of support for Soldiers.

TOMORROW'S TALENT

The MICC is always searching for tomorrow's talent with a robust intern program offering valuable experience and growth opportunities.

WORKFORCE INVESTMENT

A development leader program along with leadership growth opportunities are preparing the next generation of leaders capable of meeting future challenges.

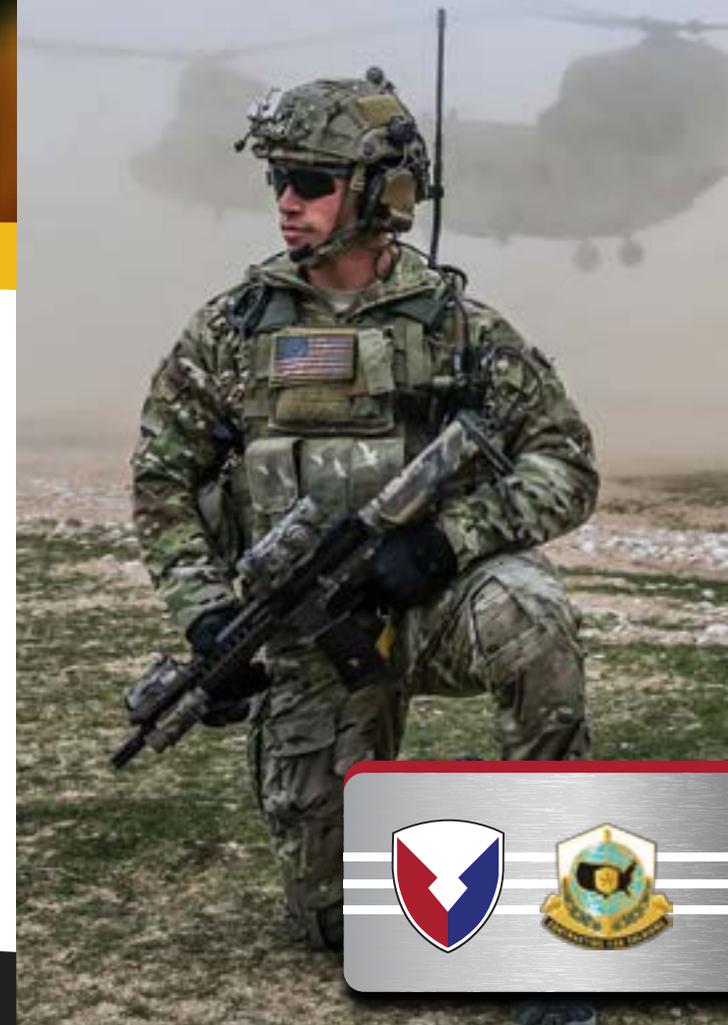

RAPID POWER PROJECTION

MICC contracts are the bedrock for the Army's power projection, from feeding more than **200,000** Soldiers daily and providing many of the everyday base operation support services to training more than **100,000** conventional force members and **500,000** students annually.

MISSION AND INSTALLATION CONTRACTING COMMAND

CONTRACTING
FOR SOLDIERS

DIRECTLY SUPPORTING NATIONAL DEFENSE

MICC contracts underpin national defense by providing essential goods and services in support of the Army's major commands and activities.

ALIGNED WITH OUR MISSION PARTNERS

MICC units are aligned to support their respective corps and divisions.

COMBAT-READY FORCE PROVIDER

MICC contracting Soldiers are a combat-ready force provider deploying globally alongside their aligned Army units.

CARING FOR THE FAMILY AT HOME

The MICC directly supports the Installation Management Command in providing our Army communities and families at home many of the same types of services found in a small city.

U.S. ARMY

MICC
